

**DONNA  
2019 - 2020**

**DESIGN:  
NINA JOBS &  
STINA SANDWALL**

**The Donna pendant lamp projects the feeling of a soft pleated textile, although it's actually made from thin, light aluminium.**

**Its form is inspired by the chic fabrics used in high fashion and the challenges of creating this softness using a hard material instead of a textile. A beautiful and versatile piece with an expressive personality; equally at home in all environments.**

**For larger spaces the Donna Line and Donna Circle can be selected in four, six or eight lamp variants, casting a warm direct light downwards.**
